PREAMBLE

THE CONTRACTING PARTIES, the Kingdom of Belgium, the Republic of Bulgaria, the Czech Republic, the Kingdom of Denmark, the Federal Republic of Germany, the Republic of Estonia, Ireland, the Hellenic Republic, the Kingdom of Spain, the French Republic, the Republic of Croatia, the Italian Republic, the Republic of Cyprus, the Republic of Latvia, the Republic of Lithuania, the Grand Duchy of Luxembourg, Hungary, the Republic of Malta, the Kingdom of the Netherlands, the Republic of Austria, the Republic of Poland, the Portuguese Republic, Romania, the Republic of Slovenia, the Slovak Republic and the Republic of Finland (the " Signatories");

RECALLING the agreement of the Council of 18 December 2013 to develop a fully operational common backstop at the latest after ten years;

FURTHER RECALLING that at the Euro Summit meeting of 14 December 2018 in inclusive format, the Heads of State or Government of the Member States whose currency is the euro endorsed a comprehensive package in view of strengthening the Economic and Monetary Union, including the Terms of Reference of the Common Backstop to the Single Resolution Fund (the "Fund"). Pursuant to those terms, the common backstop would be introduced through limited changes to the Agreement on the transfer and mutualisation of contributions to the Single Resolution Fund before the end of the transition period provided that sufficient progress has been made in risk reduction, following a risk reduction assessment of the institutions and competent authorities in 2020;

RECOGNISING that where the common backstop is introduced before the end of the transitional period, during which ex ante contributions to the Fund are allocated to different compartments subject to progressive mutualisation, a mutualisation of ex post contributions in a similar manner would facilitate a smooth transition from such a compartmental structure of the Fund to a fully mutualised one;

FURTHER RECALLING that at the Eurogroup of 4 December 2019 in inclusive format, the Ministers of Finance endorsed the technical modalities for the mutualisation of ex post contributions to the Fund;

FURTHER RECALLING that this Amending Agreement should not apply until all the Contracting Parties participating in the Single Supervisory Mechanism and in the Single Resolution Mechanism have concluded that sufficient progress has been made in risk reduction as referred to in the Terms of Reference for the Common Backstop to the Single Resolution Fund, as endorsed by the Heads of State or Government of the Member States whose currency is the euro at the Euro Summit of 14 December 2018 in inclusive format.

It shall amount to 30% as of the date of application of this provision and during the remainder of the calendar quarter in which that date occurs. The percentage shall decrease on a quarterly basis by an amount equal to 30% divided by the number of remaining calendar quarters of the transitional period, including the quarter in which the date of application of this provision occurs.

For resolution schemes that entered into force during the transitional period, the ex post contributions transferred under this indent shall not exceed the amount equal to the sum of all paid-in ex ante contributions excluding those raised in connection to previous disbursements of the Fund.

(e) If the financial means referred to in point (c) are not sufficient to cover the costs of a particular resolution action, and as long as extraordinary ex post contributions referred to in point (d) are not immediately accessible, including for reasons relating to the stability of the institutions concerned, the Board may exercise its power to contract for the Fund borrowings or other forms of support in accordance with Articles 73 and 74 of the SRM Regulation, or its power to make temporary transfers between compartments in accordance with Article 7 of this Agreement.
